## Description

The 2027 G3 Sportsman 1710 PFX is a practical and capable aluminium fishing boat designed for anglers who want comfort, control and smart use of space in a manageable package. Whether you are easing into a quiet cove at first light or spending the afternoon casting along the bank with family, this model is built to support a smooth, enjoyable day on the water.

## Key highlights include:

- A stable fishing platform suited to lakes, rivers and sheltered waterways.
- A well-organised layout that helps keep rods, tackle and essentials within easy reach.
- Comfortable seating and open deck space for relaxed casting and moving around onboard.
- Durable aluminium construction for long-term confidence and low-maintenance ownership.
- A smart choice for anglers seeking a balance of performance, fishability and everyday boating fun.
