Description

The 2027 Weldcraft 220 Ocean King is built for boaters who want a capable, hard-working aluminium fishing boat with the comfort and confidence to take on coastal waters, big lakes and changing conditions; imagine heading out at first light with rods ready, the cabin offering shelter from the breeze, and the hull designed to deliver a steady, secure ride when the water gets lively.

- **Purpose-built performance:** ideal for anglers who need dependable handling, strong construction and practical deck space for fishing gear, coolers and tackle.
- **All-weather usability:** the enclosed cabin layout helps protect passengers from wind, spray and rain, making longer days on the water more comfortable.
- **Fishing-focused design:** generous cockpit space, smart storage options and room to move make it well suited for trolling, jigging or cruising to a favourite fishing spot.
- **Adventure-ready appeal:** whether used for salmon runs, offshore exploring or family cruising, the 220 Ocean King offers a balanced mix of rugged utility and everyday comfort.
