Make: Hewescraft

HIN: 00120061

Dimensions: 18.50ft x 0.00ft x 0.00ft

Price: \$0.00

Description

The 2027 Hewescraft Sportsman 180 is expected to appeal to boaters who want a tough, easy-to-handle aluminium fishing boat with the versatility to make every day on the water feel productive and enjoyable, whether that means trolling at first light, casting along a sheltered shoreline or taking the family out for a relaxed afternoon cruise. • **Practical size:** at around 18 feet, the Sportsman 180 is typically valued for being large enough to feel confident on bigger lakes and coastal waters, yet compact enough for straightforward trailering, launching and storage.

• **Fishing-focused layout:** buyers can expect a sensible deck arrangement with room for rods, tackle and movement, making it suitable for salmon, trout, walleye or general inshore fishing.

• **Durable aluminium build:** Hewescraft boats are known for rugged welded aluminium construction, giving owners peace of mind when the forecast changes or the ramp gets busy.

• **Everyday comfort:** with supportive seating, wind protection and useful storage, the Sportsman 180 can turn a quick morning trip into a full day afloat.
