Description

The 2027 Hewescraft Ocean Pro 220 is built for boaters who want a tough, capable aluminium fishing boat that feels ready for early starts, changing weather and memorable days on the water; whether you are heading out with friends for a full day of angling or taking the family for a coastal adventure, this model is designed to combine practical deck space, dependable handling and the rugged confidence Hewescraft is known for.

- **Ideal use:** offshore fishing, coastal cruising and mixed family boating.
- **Design appeal:** a hard-working aluminium hull with a purposeful layout that prioritises stability, durability and fishability.
- **On-board experience:** a sheltered helm area, open working space and smart storage options help keep gear organised and the crew comfortable.
- **Why consider it:** the Ocean Pro 220 offers the kind of no-nonsense performance that suits anglers who want to spend less time worrying about conditions and more time chasing the next bite.
