Make: Hewescraft

HIN: 120064

Dimensions: 25.11ft x 0.00ft x 0.00ft

Price: \$0.00

Description

The 2027 Hewescraft Alaskan 250 is expected to appeal to boaters who want a confident, all-weather aluminium pilothouse boat built for fishing, cruising and long days offshore, especially in demanding coastal conditions. Known for its practical layout and rugged build quality, the Alaskan series is often chosen by owners who need space, protection and dependable performance rather than unnecessary frills. Key highlights may include:

- **Enclosed pilothouse comfort:** Ideal for staying sheltered from wind, rain and spray during early starts or changing weather.
- **Serious fishing capability:** A spacious aft deck can support trolling, jigging, crabbing or family fishing trips with room to move.
- **Durable aluminium construction:** Designed for strength, easy maintenance and confidence in rougher waters.
- **Versatile layout:** Suitable for anglers, coastal explorers and boaters who want a practical platform for work and leisure.
- **Adventure-ready design:** Whether heading to a quiet inlet or chasing fish beyond the harbor, the Hewescraft Alaskan 250 is built with purpose and reliability in mind.
