Description

The 2027 Hewescraft Sportsman 180 is expected to continue the model's reputation as a tough, versatile aluminium fishing boat designed for anglers and families who want confidence, comfort, and easy handling in changing conditions. Whether you are launching before sunrise for salmon, cruising a sheltered coastline, or taking the family out for a relaxed afternoon, the Sportsman 180 offers the kind of practical layout that makes every trip feel straightforward and enjoyable.

- **Built for fishing:** a roomy cockpit, stable feel, and angler-friendly deck space make it well suited to trolling, casting, and landing fish with less fuss.
- **Durable aluminium construction:** Hewescraft boats are known for rugged build quality, making this model a strong choice for boaters who value reliability and low-maintenance ownership.
- **Comfortable everyday usability:** the 18-foot class size is large enough for serious days on the water yet manageable for towing, launching, and storing.
- **Versatile adventures:** from lake fishing to coastal exploring, the Sportsman 180 can suit a range of boating lifestyles depending on engine, seating, electronics, and accessory choices.
- **Smart buyer tip:** as 2027 specifications, packages, and availability may vary, it is best to confirm final details with an authorised Hewescraft dealer before choosing your ideal set-up.
